

PARTICIPANT AGREEMENT, RELEASE AND ASSUMPTION OF RISK

In consideration of the services of Promise Land Ministries, Inc., Rick Barto, their agents, owners, officers, volunteers, personnel, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as "PLM"), I hereby agree to release, indemnify, and discharge PLM, on behalf of myself, my spouse, my children, my parents, my heirs, assigns, personal representative and estate as follows:

1. I acknowledge that my participation horseback riding activities, hand led pony rides, and activities entail known and unanticipated risks that could result in physical or emotional injury, paralysis, death, or damage to myself, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

The risks may include, but is not limited to: exposure to and travel in rugged terrain, exposure to potentially dangerous wild animals, insect bites, and hazardous plant life; exposure to temperature and weather extremes; losing control of your horse and falling; my own physical condition, and the physical exertion associated with this activity. A horse, regardless of its training and usual past behavior, may act unpredictably at times based upon instinct or fright which may cause you to be thrown from your horse or injured by the horse. Horses may do such things as bite, kick, buck, lie down, or stumble. Saddles may slip and other tack or saddle problems may develop as a result of normal use and wear. Your horse may collide with obstacles or encounter variations in terrain such as creeks, water, bridges, traveled roads, wild animals, birds, stump, forest growth, debris, rocks and cliffs and other obstacles whether obvious or not and whether man made or natural. Riding a horse requires the participant to balance on the saddle. Saddle girths are saddle fasteners around horse's belly might loosen during a ride. If a rider notices this, he/she must alert the nearest guide or wrangler as quickly as possible so action can be taken to avoid slippage of saddle and a potential fall from the horse. Accidents or illness can occur in remote places without medical facilities and emergency treatment or other services rendered.

Furthermore, PLM personnel have difficult jobs to perform. They seek safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. They might misjudge the weather or other environmental conditions. They may give incomplete warnings or instructions, and the equipment being used might malfunction.

2. I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks.

3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless PLM from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my use of PLM's equipment or facilities, **including any such claims which allege negligent acts or omissions of PLM.**

4. Should PLM or anyone acting on their behalf, be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.

5. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself. I further certify that I am willing to assume the risk of any medical or physical condition I may have.

6. In the event that I file a lawsuit against PLM, I agree to do so solely in the state of Wisconsin, and I further agree that the substantive law of that state shall apply in that action without regard to the conflict of law rules of that state. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against PLM on the basis of any claim from which I have released them herein. I also agree that this document is valid for subsequent visits and participation at PLM.

I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.

PARTICIPANT AGREEMENT, RELEASE AND ASSUMPTION OF RISK

PROTECTIVE EQUESTRIAN HEADGEAR REFUSAL AGREEMENT ADDENDUM

I have been fully warned and advised by Promise Land Ministries, Inc., and Rick Barto (hereinafter collectively referred to as "PLM"), that I should wear a properly fitted and secured ASTM/SEI (Equestrian standard) certified helmet while participating in horse riding activities in order to protect against and reduce the severity of potential head trauma that could result in serious injury, including death, as the result of a fall, collision, kick from a horse, or other occurrence associated with horse activities. I understand that riders or participants under the age of 18 are required to wear a properly fitted and secured ASTM/SEI certified helmet while participating in horse riding activities. Against the advice of PLM, the guide/instructor, common sense, and PLM's insurance company, I am refusing to wear a helmet and assuming all risk of injury. I further agree to indemnify and hold harmless PLM from any and all claims that are brought by, or on behalf of myself, as the result of head trauma resulting from participation in any horse activities.

I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.
